

# “Flappy Bird”

Guzovați Luminița, 1209A

**Character:** a lost bird among unknown places, the only and most important character

**The game:** the bird must avoid the obstacles very carefully, in order to reach the destination, otherwise, touching at least one of the obstacles, it will confuse its path and the game ends

we have a special type of obstacle that moves so that it makes it difficult for the bird to reach its destination
